This task will cover a research program to determine the effects of altitude on air fed incinerators and to develop a method of supplying emergency power to the Model 2 Air-Fed Incinerator. The work is to be accomplished in accordance with the contractor's proposal attached hereto.

2. Funds in the amount of \$6,890.00, including a fixed fee of \$390.00, are to be made available to the contractor for a three months period of performance. Charges are to be made against Allotment Number 1125-1390-3901.

3. Contract RD-26 is an Agency sterile contract. Task ZZ should also be Agency sterile. Government interest may be shown. The item per se is unclassified. Agency interest in all work and material under the contract and task is classified Secret and may be divulged only on a need-to-know basis to appropriate security approved personnel.

4. The Contracting Officer is requested to advise the contractor's representative in writing of these security classifications.

5. In the event there is any variation in classification during the preliminary phases of the work, further guidance will be provided by the project engineers for this program, [redacted]
